DIAGNOSTIC RADIOGRAPHER - CT/MRI

Langford Veterinary Services is part of one of the leading veterinary teaching hospitals in the UK. We have just opened our new facilities including small animal and equine surgeries which are equipped with state-of-the-art imaging equipment.

We are now seeking a dynamic, conscientious full time Radiographer to join our hospital team. The ideal candidate will be able to work well within a team, be self motivated and have the ability to progress. This post would someone with a keen interest in animals.

The successful applicant will be working within the Small Animal Referral Hospitals Diagnostic Imaging Team. Experience with CT and MRI essential. Ability to work flexible hours and covering weekends on a rota basis will be required.

Closing date: 10th February 2012
