## OUTPATIENT REFERRAL SERVICE CLIENT INFORMATION SHEET

### MRI

- Please ensure that your pet is starved of food (to include all titbits) from 8pm the day prior to your appointment
- Do not restrict access to water until 2 hrs prior to your appointment time
- Please ensure that your pet has urinated and defecated prior to consultation
- Your pet will be admitted for its procedure by one of our clinicians or nurses
- Please note that LVS will only carry out procedures as requested by your veterinary surgeon
- LVS will report the findings of your pet's procedure directly to your veterinary surgeon
- LVS will invoice your veterinary practice for the procedure
