Langford Veterinary Services Ltd Small Animal Clinical Club

What is it?

The aim of the Langford Veterinary Services Small Animal Clinical Club is to provide an opportunity for referring veterinary surgeons to meet our clinicians in a relaxed, informal setting, whilst enjoying some very reasonably priced CPD. The format will usually include a 45-60 minute talk is given by one of our veterinary staff members, followed by informal discussion of some of the interesting cases which have been referred to the hospital. Participants are encouraged to bring along their own case material for discussion if they wish.

There will be 10 meetings over the next year, covering a varied and exciting array of subjects (see programme overleaf).

When is it?

Sessions start on 2nd November 2009 and are generally held on the first Monday or Tuesday of the month. There are 10 sessions over the year. For dates and topics please see the attached programme. A light buffet is served from 7.30pm, with the talk starting at 8pm.

Where is it?

Clinical Club is held at the Veterinary School at Langford. Room details will be emailed to participants in advance, and the staff in our security services will be able to point you in the right direction.

What does it cost?

Practices or individuals can sign up for annual membership. The cost is only £250 for all 10 sessions. Membership is restricted to 30 vets to help keep the atmosphere informal and encourage discussion. If spaces become available for individual sessions, there may be the option of additional vets attending at a cost of £30 per session, bookable in advance

Additional benefits for our most loyal referring practices –

To say thank you to practices that refer to LVS on a regular basis, for their ongoing support, we can offer:

- priority booking if you contact us within the next 7 days
- the option of sending an additional vet free of charge to 5 of the meetings over the year (subject to availability; this needs to be booked in advance to ensure that sessions are not oversubscribed)

What do I need to do to book?

Please contact Kathy Turner by email kathy.turner@bristol.ac.uk or telephone 0117 928 9562 to confirm your place. Once your place is confirmed please send a cheque for £250 payable to Langford Veterinary Services Ltd to Kathy Turner, Langford Veterinary Services Ltd, Small Animal Hospital, Langford House, Langford, BS40 5DU.
