

Cat Genetic Test Submission Form – Vet Submission

A vet, who is not the owner of the cat(s), must take the sample(s) after confirming the cat's microchip number and sign the form below. This vet must also post the sample(s) and completed form to:

Genetic Tests, Diagnostic Laboratories, Langford Vets, Langford, BS40 5DU, UK.

Please complete **ALL** sections of this form in **BLOCK CAPITALS** and mark the boxes on the reverse for the test(s) required. Results will be emailed to the owner. Please note, this form is only valid if signed and submitted by a registered veterinary surgeon (forms completed by a vet nurse will receive results as non-vet checked).
