

Langford Vets

Job Description

Job Title: Theatre Nurse
Reports To: Head Theatre Nurse

Job Purpose:

The main purpose of the post is to support the smooth operation of the clinical activities within the surgery building by assisting with surgical procedures, administering nursing care to animals, promoting client communication and working within the Terms of the RCVS Guide to Professional Conduct for Nurses.

Principal Accountabilities:

- To provide specialist nursing support for all surgical activities to include Soft Tissue, Neurology, Orthopaedics, Ophthalmology and Cardiology as both a circulating and scrubbed nurse.
- To prepare for and assist with the delivery of anaesthesia – to include anaesthetic machine checks, selecting and safety checking breathing systems and endotracheal tubes, assisting with patient restraint and placement of intravenous catheters.
- To prepare patients for surgical procedures according to surgeons' requests and hospital protocols
- To prepare theatres and surgical trolleys for use during surgery – to include selecting appropriate surgical instruments and consumables, liaison with clinician in charge regarding requirements, ensuring surgical equipment within theatre (diathermy/suction) functioning and set up, ensuring pre-operative x-rays are available as required.
- Sterilising and maintenance of surgical instruments and equipment. Use of instrument disinfectant, autoclave and ethylene oxide sterilizing units – to include cleaning, lubricating and checking function of instruments and equipment, wrapping of single instruments/kits and consumables to ensure effective sterilisation.
- To provide nursing care to patients in the post-operative recovery period

- To admit and discharge out-patient referral caseload, liaising with the anaesthetist or intern in charge of the case
- Maintaining accurate patient records with regards to all clinical notes, treatment, diagnoses, client communication and client /patient information.
- Ensuring that all procedures and consumables are accurately entered onto the patients' computer records in order to keep the invoice up to date at all times during their stay.
- Assessment and supervision of BVSc and VN undergraduates during clinical rotations. To include working as a Clinical Coach (including attending yearly standardisation) and personal tutor for nursing students.
- Participating in a nurse rota for 40 hours per week, working different shifts within the theatre team
- Participation in the On-Call rota which includes weekends and bank holidays.
- Maintaining a good working relationship with all team members.
- Communicating in an effective and pleasant manner with clients and colleagues.
- Carry out all other reasonable duties as requested by the line manager.
