

Langford Academy Vet Congress

2026

Come and join us for BOAS Vet Congress on Tuesday 9th June 2026

The day will provide a holistic view of Brachycephalic patients, including emergency triage and stabilisation, anaesthesia, spinal disease, skin disease and soft tissue surgery.

Some of the lectures included will be:

Cool, Calm & Collected: optimising patients for BOAS surgery

Short Faces in Crisis: BOAS emergencies & aspiration nightmares

Sedation and Anaesthesia without the drama: maximising BOAS safety

Away from the Airway: neurological disease in Brachycephalics

Skin Deep: dermatological disease on Brachycephalics

All delivered by our team of specialists including:
