

Small Animal Referral Hospital

Price Guide

Behaviour

Procedures Available - Prices include VAT and correct as at 01/07/25, these are indicative and subject to change

What's included:	Price
Initial consultation (in person or remote)	£775
Vet follow-up (in person or remote)	£306
Behaviour Nurse follow-up (in person or remote)	£153
Training consultation with Behaviour Nurse (in person or remote) 30-60 mins	£72 - £153
6-month medication review with the Vet (in person only) 30 - 60 mins	£306

Follow-up consultations are not included in the initial consultation fee; all follow-ups are chargeable.

All behaviour consultations will need at least one follow-up consultation to assess progress, make any necessary adjustments to the treatment plan and reassess behaviour medication (if used).

Who you see for a follow-up is reviewed on an individual basis, and what will be best for your cat or dog.
