

Cat Genetic Test Submission Form – Vet Submission

A vet, who is not the owner of the cat(s), must take the sample(s) after confirming the cat's microchip number and sign the form below. This vet must also post the sample(s) and completed form to:

Genetic Tests, Diagnostic Laboratories, Langford Vets, Langford, BS40 5DU, UK.

Please complete **ALL** sections of this form in **BLOCK CAPITALS** and mark the boxes on the reverse for the test(s) required. Results will be emailed to the owner. Please note, this form is only valid if signed and submitted by a registered veterinary surgeon (forms completed by a vet nurse will receive results as non-vet checked).

Owner's name						
Address						
Email						Telephone:
Vet's name						
Veterinaire N° (For LOOF registration)						Sampling date:
Practice address						
Email						Telephone:
Payment (Please indicate)	Owner will pay laboratory directly <input type="checkbox"/>		Invoice to be sent to Vet Practice <input type="checkbox"/>			
	Name	Microchip N°	Reg N°	Breed	DoB	Sex
Cat 1						
Cat 2						
Cat 3						
Cat 4						

I agree that sample(s) may be used anonymously for statistical and research purposes, which may be published. I agree to the terms and conditions of sale (<https://www.langfordvets.co.uk/media/7226/cat-genetics-terms-and-conditions.pdf>).

We will contact you by email (unless you have specified that you would like us to invoice your Vet Practice) with the details you'll need to make payment as soon as the samples arrive with us. You will then be able to pay online or over the phone by debit or credit card.

If you intend to send a cheque with your submission, please ensure it is made payable to: Langford Veterinary Serviced Ltd.
